

# A Merry Marvellous Christmas!

Welcome to your Christmas Newsletter for 2018!

We've had a packed year learning about Explorers and Exploration for British Science Week in March, we've 'Dug for Victory' and discovered that 'Archaeology is Rubbish' while uncovering some buried treasure! Lots of you enjoyed our summer picnics and drop-in activities – who knew we'd need somewhere to hide from the sun rather than the rain?!

For 2019 we're planning some exciting sessions just for you Marvels including a Torch-lit Tour, Fabulous Faberge egg craft at Easter, as well as a summer and autumn get together. We'll email the dates for these out to you early in the New Year, so please make sure we have an up to date email address for you. There will also be something on every week over the summer holidays so keep an eye out for these, or even better – let us know what kind of activities you'd like to see!

We'd like to keep in touch – please drop an email to Jen at [elginmuseumlearning@gmail.com](mailto:elginmuseumlearning@gmail.com) if you need to update your details. We're also on Facebook, Instagram and Twitter, follow us there for stories and pictures from behind the scenes!
